Member Announcement

Sassda announces new board and main committee appointments

The Southern Africa Stainless Steel Development Association (Sassda) announced the appointment of Bernard Maguire as chairman to the board of Directors of Sassda, and Peter Viljoen as vice-chairman.

Maguire's board appointment follows the chairmanship of Sampie van Rooyen, who retired from the industry recently. Maguire is a director of Cronimet, the local arm of the international Cronimet, a recycler of stainless steel scrap. Viljoen is the Managing Director of Stainless Fabricators, a heavy-medium fabricator.
